22. Mai. 2024

Page - 1 -

I am writing this reference letter to highly recommend Philipp Hoffschroer and his company, Skytz Consulting. As the Founder and CEO of Box02 LLC, an e-commerce company running multiple direct-to-consumer stores, I had the pleasure of working with Philipp to recruit two exceptional marketing managers specialized in paid ads.

From the outset, Philipp demonstrated a profound understanding of our industry and the specific needs of our organization. His approach was both thorough and efficient, ensuring that the recruitment process was seamless and expedient. Within a short timeframe, Philipp was able to present a slate of candidates who not only matched our requirements on paper but also fit well with our culture. His dedication and expertise have significantly contributed to the success of our marketing team.

In summary, Philipp Hoffschroer has played a pivotal role in strengthening our team, and I have no hesitation in recommending his headhunting services to any organization looking to attract top talent. Philipp is a true professional who delivers outstanding results.

Sincerely,
