## Group CFO (m/f/d)

- **Industry:** Trading & Agriculture
- **Location:** Northern Switzerland (ideal for cross-border commuters)

Our client, a major trading and agricultural company with significant operations in Asia and annual revenue in the nine figures, seeks a Group CFO. The CFO will manage financial operations related to holding, financing, and trading shareholdings, oversee loans and collateral, execute transactions to advance company goals, and handle the establishment of branches and subsidiaries globally. The role also includes managing real estate and intellectual property acquisitions in Germany and abroad.

### Key responsibilities

- Oversee accounting, controlling, and treasury operations supporting the company's financial activities.
- Ensure IFRS compliance and manage financial regulations related to shareholding and financing.
- Provide strategic financial advice to the executive team for company growth.
- Lead financial planning, budgeting, and forecasting to align with company goals.
- Build and maintain relationships with auditors, banks, and regulatory bodies.
- Manage and develop a team of finance professionals to execute the company's financial strategy.

### Qualifications and Personal Attributes

- Experience as a CFO in trading, agriculture, or similar sectors.
- Strong understanding of IFRS and financial regulations.
- Financial acumen, problem-solving skills, and strategic thinking.
- Experience managing cross-functional teams in a fast-paced environment.
- Fluent in German and/or Swiss-German; English proficiency is a plus.
- Degree in finance, accounting, or a related field. MBA or certifications (e.g., CPA, CFA) preferred.

### Salary and Benefits

- Highly competitive salary with a comprehensive benefits package.
- Swiss social benefits, including excellent pension plan (BVG) and health insurance.
- Paid vacation days
- Further social and communal benefits
